

CHANDLERS

STEAKHOUSE

In Vino Veritas

The selection and pairing of food and wine is the foundation of an outstanding dining experience. Each is meant to compliment and inspire the other. We take great pride in seeking out the finest producers from the world's major wine growing regions, to offer you a diverse range of wines of exceptional quality and value, wines that speak of their origin.

We are proud that Wine Spectator Magazine has acknowledged our efforts by bestowing us with their Award of Excellence for the past 14 consecutive years. We list our wines first by the varietal or blend, then by the region they are produced, and then alphabetically. Our wines are cellared in temperature-controlled vaults and served in hand blown Riedel stemware.

"Wine has long been a passion of mine, something so wonderful, derived only from grapes is one of our grandest gifts of nature. It is our pleasure to assist you in selecting a wine that pairs perfectly with our fine cuisine to create an outstanding dining experience."

Cheers, Rex Chandler
