We've teamed up with one of our favorite power couples for **National Oyster Day!**

Join us for a lesson showing how to use your brand new oyster knife and then practice on a dozen Taylor and Hammer oysters of your own.

The experience wouldn't be complete without sipping a bottle of Veuve Clicquot Brut from signature yellow glasses – yours to keep! Four time slots to choose from.

Cost is \$150 a couple (+ tax and gratuity).

Keep the fun going and join us for dinner before or after!
