Family pride and integrity have enabled Marimar Torres to blend centuries-old traditions with the latest innovations to produce outstanding wines known the world over. With roots in Spanish winemaking, emphasis on the vineyard is a natural concept for Marimar, and her wines, made entirely from estate-grown grapes, truly express their unique terroir.

We are excited to welcome her daughter, Christina Torres, for one special night of exciting wines from this California producer paired with a five-course menu to highlight the Marimar lineup.

Cost is \$225 (includes tax and gratuity)

This is a ticketed event and seating is limited. Sorry, there are no refunds, however tickets may be transferred to other guests.
